

WAYS OF RELATING CONNECTING THE SYSTEM TO ITSELF

Reflective Questions Tool

Connecting the System to Itself

- How am I helping different parts of the system connect and communicate?
- What bigger picture emerges when I look beyond my immediate focus?

Connect Complex Issues

- Am I keeping related issues in mind, even when focusing on one main challenge?
- How do overlapping problems influence the work I'm doing?

People Want to Connect

- Where do I see energy and interest in coming together to grow leadership?
- How can I support and nurture those connections?

Don't Put People in Boxes

- Am I labelling people in ways that limit understanding or connection?
- How can I see people more fully, beyond categories or roles?

Hard to Reach (Not)

- Who do I think of as "hard to reach" and why?
- What new ways can I try to connect with people who've been left out?

Build Strong Support Systems

- Am I creating opportunities for more people to get involved?
- How can I co-design support systems with the communities I want to include?

Bring People Together

- Am I making space for people to share ideas, challenge each other, and collaborate?
- How can I remove barriers that make people feel they need permission to act?
